

441—13.4(234,239B,249A) Notification of review. On positive case actions, clients shall be notified, either orally or in writing, that their case has been selected for review. The client will be contacted in a negative case only if a discrepancy exists which cannot be resolved from the case record.

This rule is intended to implement Iowa Code sections 234.12, 239B.4, and 249A.4.
